

296 City of Cambridge Air Cadets 27 Oct 21 In-Person Training Update

Dear Parents, Guardians and Cadets

Unfortunately, 296 RCACS has not received final approval to conduct in-person training at the Armoury. As a result, I am cancelling all training tomorrow Wednesday 27 Oct 21. Both the staff and chain of command are committed to strict guiding principles to keep cadets safe. The squadron has completed required checklists, paperwork, acquired cleaning products, and communicated covid safety protocols however we must wait for approval through the Chain of Command. I understand many of you including myself and the staff were looking forward to tomorrow. Please bear in mind we are constantly evaluating our environment and are doing our best to resume in-person training as soon as possible in a safe manner.

Going forward starting next week 03 Nov 21, we will resume in-person training at the Galt Legion Branch 121 for a period of 2-3 weeks or until we receive approval for in-person training at the Armoury.

- Address for the Legion is: 4 Veterans Way, Cambridge, ON N1R 3K7.
- Timings are 1830 / 6:30PM drop off and 2100 / 9PM Pick up
- Please use the front door of the building, staff will be onsite to greet and direct you.
- Please wear appropriate civilian clothing preferably white collared shirt, black pants, black shoes if possible.
- Arrive wearing a well-fitting mask over your mouth and nose.
- Bring a full waterbottle
- Complete covid-19 self screening prior to arrival <https://covid-19.ontario.ca/school-screening/> and do not attend if you are feeling unwell.

Finally, I ask for your continued patience as we navigate this transition from Virtual Training to In-Person Training. Information updates can always be found on the squadron website at <https://www.296aircadets.com/> and our squadron Facebook page '296 City of Cambridge Squadron, Royal Canadian Air Cadets'

Stay positive and keep up the good work,

Captain/ Capitaine Chris Legge

Commanding Officer- 296 City of Cambridge
